

Average tax rates over time

The chart shows average personal income tax rates. Each line represents a year over the period 1983-84 to 2016-17.

The data on historical PIT rates was scraped from the [ATO website](#) with the rest of the work done in r.

The charts need work before I include them in the tax free threshold primer that I am currently working on. Nonetheless, I thought they might be of some interest even in this raw form.

Below, the data in the first chart is broken down by decade.
